

OITUK Ltd., specializes in providing C-Cube Electronic Document Management & Workflow solutions that encompass Imaging, Electronic Document and Records Management, Workflow, Portal-based business applications and collaboration facilities.

Systems scale from small departmental applications to large enterprise -wide solutions. OITUK have developed a number of value-added modules, notably the C-Cube Portal, Electronic Forms, Content Searching, and C-Cube Electronic Records Management System (ERMS), offering specialised solutions, including:

- Legal Compliance
- Invoice Capture and Authorisation
- Health Records Management
- Local Authority Applications
- Customer Service & Call Centre
- Human Resource Management
- Information Web Portals

The key to all OITUK solutions is integration with the business to ensure that information is delivered on time and to the right place. OITUK Ltd has provided integrated solutions over the last 15 years using the following underlying technologies:

- Document Management
- Workflow
- Web Portal & XML Integration
- Cold / Microfiche Integration
- Electronic Forms Processing
- Electronic Records Management
- Collaboration Facilities

Unlike other IT specialists, OITUK makes talking to its clients a priority. It sees dialogue as the cornerstone of a successful project. As a team of talented programmers, developers and other IT Specialists – OITUK staff have a wealth of experience and market knowledge.
